"How Have the Mighty Fallen."

WASHINGTON CAMP, July 11, 1899.  
EDITOR THE OASIS:

It is just beginning to dawn upon the people outside of Nogales why the Vidette champions the ex-collector of customs and civil service manipulator, H. K. Chenoweth. When Mr. Sam F. Webb took the office he removed every one of the republican subordinates, and when he placed his resignation into the hands of Chenoweth, there was undoubtedly an understanding between the two that most of Mr. Webb's democratic appointees should be retained. It appears that Chenoweth kept his agreement, (it being the only one which he ever kept, so far as any one knows) as the records prove; except a few of his henchmen, who were appointed through the manipulation of the civil service examinations.

Chenoweth is evidently more of a democrat than a republican, as his work of the past goes to show. Some years ago he voted the head of the democratic ticket. His man "Friday," (who appointed a democratic deputy) evidently led him into bad habits.

It is a known fact, that the Nogales custom house employees have monthly donated money towards the maintenance of the Vidette, a democratic sheet that never had a good word for republicans, or our republican administration; and Chenoweth's man "Friday" has written editorials for this same democratic sheet, wherein he heaped abuse upon good republicans, who had helped him in the past. All this has been done with Chenoweth's full knowledge and consent. No wonder that the Vidette upholds them, as Miller is evidently looking to the side his bread is buttered. Whenever a democratic sheet champions a republican there is certainly some money consideration back of it.

It should be a source of gratification to every republican of Santa Cruz county that Chenoweth was no longer permitted to disgrace the public service and the republican administration. He may look lightly upon his removal, but, he may rest assured, that the better class of citizens view his dismissal from a far different standpoint; especially so when removed for cause. "How have the mighty fallen."

A STRAIGHT REPUBLICAN.

## School Bonds Sold.

Monday the school board in Nogales district opened the bids for the school bonds recently authorized by a vote of the people. There were several bids ranging from 24 per cent premium to \$18,001.50 cash for \$16,000 in seven per cent bonds. But the bonds went to Trowbridge, McDonald, Niver & Co. of Chicago, who bid \$16,000 for a six per cent bond. The bidders were represented by Mr. Jas. H. Roy. Computing the difference in the interest during the life of the bonds and the bid accepted was the best by about four hundred dollars.

At the same time the school board considered the various plans offered for a school building. Four architects presented plans—Geo. L. Groves of Phoenix, Otto Kroeger and H. O. Trost of Tucson, and Ernest Grimes of El Paso. The plan of Mr. Groves was selected.
